Who Can Marry

Love knows no bounds, and neither do we. In Ontario, anyone 18 or older is welcome to marry, regardless of gender, sexual orientation, identity, or country of origin. Whether you're a local or visiting from abroad, you're welcome here.

You must meet the legal requirements to marry, which is providing us two valid, unexpired pieces of government-issued ID, and if previously married which ended in divorce or annulment, an original or certified true copy of the paperwork.

If you have any questions, don't hesitate to contact us at clerks@fortfrances.ca.
