The world we know today is influenced by their scientific knowledge. Ongoing contributions of Indigenous innovations, knowledges, and worldviews are integral to the mosaic of humanity.

This exhibition presents a clever and novel mix of science and culture. It celebrates the diversity, interconnectedness and resourceful ways of knowing and being, that Indigenous knowledge and innovations provide in the global community.

Admission is by donation, and it's fun for the whole family!

Visit Monday through Friday from 11:00am to 4:00pm, with the last entry at 3:00pm.
